

ABRESO Fall 2021 Workshop Agenda

November 19, 2021

h. 13.00-15.00 CET

[Zoom Meeting Room](#)

13.00 – Welcome and Introduction to ABRESO Project & Workshop
(Tim White, Osamu Saito, Adam Wymore)

13.15 – Presentations from ABRESO Partner Nations

- France (Philippe Le Coent), Cecile Herivaux)
- Italy (Maddalena Pennissi, Lisa Sella)
- Japan (Hide Shibata, Osamu Saito)
- Taiwan (River Huang, Herlin Chien)
- U.S.A. (Bill McDowell, Janet Swim)

14.00 – Breakout Group Discussions

- **RQ 1 – Drivers:** What are the environmental, economic and social drivers of land use change?
- **RQ 2 – Underlying Mechanisms:** What underlying mechanism explain the spatial and temporal patterns in environmental quality of soil and water that are altered by different land management patterns?
- **RQ 3 – Stakeholder Perceptions and Preferences:** Does understanding stakeholders and their perceptions of land use change help explain and facilitate the development of sustainable land management?
- **RQ 4 - Scenarios:** What are the possible future pathways of CZ structure and functions and their impacts on humans and nature under different scenarios of landscape/watershed management?

14.40 – Short Summaries from each Breakout Group

14.50 – Open Discussion of Conclusions & Next Steps
